The Lock Weekly

Due to unprecedented popular demand the Newsletter will revert to weekly editions. I didn't realize my ramblings were so popular. And there I was, really excited when I came back and found out that I only had to do the Newsletter fortnightly. As you can tell by my grammar and spelling I is not born to be a joornalist x jerna x riter.

Staffing for Semester 2

The school has implemented some staff changes for Semester 2.

Mr Zac Fitzgerald will be working at Lock Area School on Mondays, Tuesdays and Fridays. Mr Fitzgerald will be the Year 7/8 Home Class Teacher on those days and will be taking the Secondary students for HPE. He will also be doing HPE in the Primary classes.

I warmly welcome Zac to the school and wish him well in his new role.

Mrs Bedding will be picking up the Secondary Maths and I will be doing six lessons in the Reception/Year 1 Class.

Mr Fuller's new role will be as the Student Support Teacher. He will be working in the classrooms with the class teachers in supporting students with their learning.

DINOSAUR ANT PROJECT

You may have seen the stories about the Dinosaur Ant Project in the local media or on social media.

Karen Carr is a community based artist in Port Lincoln who has been engaged by the Natural Resources Eyre Peninsula to design a community project around the Dinosaur Ant.

We have been lucky to have been chosen as one of the schools that Karen will be working with.

Ant sculptures will be made out of old e-cords, (broken recharge cords and headphones) and old mobile phones.

If you have any of these lying around at home (and who hasn't??) we would love to find a new home for them. Please send them into school and we will take them off your hands.

Karen is aiming to make at least 100 ant sculptures across the Eyre Peninsula, with 8 metres of cord required for each sculpture.
