Sergeant Albert Lock

Congratulations and thank you to the Lock Museum and Mrs Cowan and our senior students for the very successful commemoration for Sergeant Albert Lock last Wednesday. It was a very fitting tribute to our town's namesake and it was wonderful that Richard (Lock's second cousin) and Laura Saunders were able to join us from Adelaide.

The day also reminded me what a special facility we have here in Lock in the Museum. A great deal of thanks and admiration must go to the museum organizers, in particular Kerri Young.

SLG

The senior students elected two new members to the Student Leadership Group for next year. Congratulations to Samuel Pearce and Nicholas Pearce. The other two members for the SLG for 2018 will be elected in Term 1 next year.

Transition

Yesterday the 11 Kindy students started Transition at school. There were lots of very excited children in the Reception/Year 1 Class with the Transition Program happening once a week over a four-week period. The Year 1 students are transitioning into the Year 2/3 Class at the same time.

Cricket

Congratulations to Dusty Wheare who has been selected in the Eyre Peninsula Under 14 Cricket side which will be competing in the Country Cup in January. Well done Dusty.

Dancing Shoes

This Friday the SLG will be hosting a Disco for the Reception to Year 6 students in the Triple Block. The fun starts at 4:30 p.m. and finishes at 7:00p.m. It should be a good night. Parents remember there are teas available at the Footy Club the same night as a fund raiser for the Lock Christmas Tree (just make sure you remember to pick your children up at 7:00!!!)

Mental Health

Erin King, our Social worker: Attendance—Engagement family focus recently participated in a Mental Health Super Summit. Erin has left copies of two valuable resources —strategies for parents— 'How to prevent depression and clinical anxiety in your teenager' and 'How to reduce your child's risk of depression and clinical anxiety'. If you would like a copy please contact me or download by visiting www.parentingstrategies.net/depression/

Assembly

The Reception/Year 1 Class will be hosting an assembly next Friday, 17th November, at 1:30 p.m. in the Triple Block.

Movie Night

The SLG are also running a Movie Night for the Year 7 to 10 students on Friday, 17th November.

Speedy Recovery

I wish Paul Pearce a speedy recovery after his recent operation and I hope all goes well.

Cheers

Murray Adams

You're invited to our Scholastic **BOOK FAIR!**

Choose from a **huge selection**
of age-appropriate books.

What's the most important skill we can teach our children?

We believe it's **reading.**

When children read, they learn to think critically and creatively. Their vocabulary expands, allowing them to communicate effectively. Even their writing improves. Through reading, children gain a greater knowledge of the world they live in. They build confidence, become more resourceful, and learn to empathise. Reading truly is the gateway skill.

Date *Thursday 30th November* Time *3:15pm - 5pm*

Place *Lock Area School*

Every purchase earns free books and resources
for our library—thank you for your support!

R – 6 SOCIAL

The SLG would like to invite all students from **Reception to Year 6** to attend a social.

When: Friday November 17th

Where: Triple Block

Who for: Students in Years 7 to 9.

Mark the date in your calendar.

PCW CORNER

The Pursuit of Happiness through the Eyes of a Dog

A big dog saw a puppy chasing its tail and asked, "Why are you chasing your tail that way?"

"I studied philosophy and solved the problem of the universe, which no other dog before me had ever solved," the puppy answered, "and I have found that the best thing for a dog in life is happiness, and that happiness is in my tail. That is why I am chasing it, and when I catch it, I will reach happiness."

"Son," said the dog, "in my young days, I was interested in the questions of the universe. I also thought that the happiness is in the tail and in the beginning I was also chasing it. But later I have noticed that anywhere I go and whatever I do the tail was following behind me. And then I understood that I don't need to chase it.
