Remembrance Day Service

In Australia, Remembrance Day is always observed on **11 November at 11 am**, this is the time the guns fell silent to end World War 1, a time when people can pay their respects to the substantial number of soldiers who died in battle. Alana and the Year 4/5/6 and secondary students along with Kristin Zacher are coordinating a service this year.

I look forward to your company Monday morning, at the front of the school.

School Reports

Staff are beginning preparations for the end-of-year School reports. As these will be a summative report for 2019, we have decided to send them home on the last day of term 4. If you are planning not to be here on that day, please inform us so we can post them out to you. These reports will provide the descriptive comments, student reflections as well as graded subjects.

Next Year's Classes

Lots of consultation and thought goes into getting things right around class configuration, matching teachers and spaces etc. We are close to making an announcement, so I look forward to sharing next year's plans with you in due course.

I am also waiting to see who will replace Carolyn, who as you are probably aware is preparing to move to Nairne in the Adelaide Hills. I will take this opportunity to wish her and Steven all the best for the future

Pre-School to School Transition

There will be 5 little people continuing their Pre-school to School transition this Thursday. How exciting it must be for them.

Schools Materials & Services Fees

The School Fee structure for 2020 has now been endorsed and accepted by the Governing Council. The charges for 2020 will remain the same as 2019.

School Hats

Just a friendly reminder that ALL students & staff are expected to wear Cancer Council approved hats (broad-brimmed) this term, whenever they are outdoors. This includes sport lessons. Any students not wearing a school broad-brimmed hat will need to shift indoors or go to the lunch shelter.

Presentation Assembly

This year's Presentation Assembly is on Wednesday, 10th December at around 9.30 am.

It looks like harvest is well underway for some of our families. I hope it is a good harvest for you all. Stay cool. It looks like the Pool is almost ready to use.

Regards

Tony
