TERM 2

Week 1

April 29<sup>th</sup>

2020

## DIARY DATES

### Welcome back

I would like to welcome back the students to Term Two and wish them a successful term.

I trust everyone had a refreshing break, survived the pandemic restrictions and are now reinvigorated to jump into a new school term.

It is wonderful to see all students back at school.

Teachers have been busy preparing for online teaching if it was needed.

### School upgrade

As you drive by the school you will notice that many trees have been removed. This was a Department decision based on safety and associated duty of care issues.

This provides us, as a community to revamp the front of the school and redevelop some areas within the school for environmental education. Over the next few months, gradual improvements will be seen.

We are also replacing the front fence and gates with 1.5-metre-high panel fence.

### Lunch

Students are not permitted to go down to the shop for lunch.

### Uniforms

All students MUST wear the appropriate school supplied uniform, which is grey or black shorts / trousers, pants, green shirt, green polar fleece windcheater and green broad brimmed hat when outside. There are no exceptions to this policy.

### NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) tests have been cancelled for this year, due to the corona virus pandemic.

### Class Captains

Each class is currently organizing elections for this term's Class Captains. The new Class Captains will be presented with their badges later in the term.

 Chief Executive Officer

South Australians can opt to receive a free, daily phone call to check on their welfare in response to COVID-19. This service has been activated by the Government of South Australia.

Specially trained Red Cross staff and volunteers will make the calls, supporting the wellbeing of clients, including asking how they are coping and if they need support to access medical or food supplies, as well as reiterating up-to-date government health advice. If the call goes unanswered or if someone is in distress, further steps will be taken to ensure the safety and wellbeing of the client.

The service is available to people in the community whose wellbeing is impacted as result of COVID-19 social distancing and self-isolation measures. This may include older people, people living with a disability, those experiencing mental illness, people recovering from an illness or accident or people with an ongoing health condition who are voluntarily self-isolating for their wellbeing.
