Year 2/3 Camp

18 – 22/10/2021
Middle School
Camp to K.I.

25/10/2021 –
Student Free Day

Welcome to our last newsletter for the term. As I write this the silo being demolished, what a sad sight to see, yet a significant moment of history at the same time. What a change to the landscape it will be once it is completely gone.

T 20 Cricket

Today our Year 6/7s participated in T20 Cricket, an annual event organised by SACA. Our students joined with Elliston Area School for the day and competed against teams from Cleve, Wudinna and Cowell. A big thank you to our Year 5s for helping out to fill the teams. Students had a great day, and team spirit was excellent!!

Parent/Teacher Interviews

Thank you to those parents that have taken the time to book in and meet with your child/ren's teacher. It is a valuable meeting to discuss their education. Please catch up with teachers if you haven't had a chance to book in and make a mutually agreed time.

4/5/6 Presentation Morning

Tomorrow our 4/5/6 class will be doing a presentation for their parents about their camp in the Triple Block. They have been busy preparing for this event and I look forward to going to see what they got up to. I hope parents are able to make the time to come along.

SAPSASA

Best of luck to Lili Tiller, Sophie Morton and Cameron Glover. They will participate in the SAPSASA Athletics carnival on Monday.

Boys cricket trials are at Kimba next Wednesday. Make sure forms are back to school by the end of this week so we can send nominations through.

Tennis trials will be at Lock in Week 1 next term. These forms need to be back at school in the next week also.

Middle School Camp Fundraiser

Please look inside this newsletter for more information. These dress up fundraiser days create great memories for the students.

Virtual Assembly

Not quite the success story we were hoping for, but students did do a great job with the Assembly, our first in over 12 months. After experiencing several technical issues, we managed to get some parents signed in towards the end of the assembly. We will make sure that it all works next time. We have detected the issues and will make some changes for next time.

End of Term

The last day of school for the term will be next Friday. School will finish an hour earlier at 2:15pm. Buses will also run one hour earlier for the afternoon run.

I hope everyone has a safe and relaxing break over holidays. See you all fresh ready for the last term!

Cheers, *Beth Sampson*

PCW CHAT**MAKING
CONTACT**

I have had a great time in the past few months

Getting to know a few of you and your children.

Lock Area School is a beautiful spot.

Having moved from Adelaide at the start of the year

I feel I am finding my feet at last.

This PCW role is all about offering support to the School

Community as a whole. It can look very different

from one school to another.

Art is one of my loves so I hope you will encourage your children to have a go at the newsletter art competition. Children can get extra copies from me during the week and check the pin board outside the Resource room 5 for their updates.

And I would love to hear more from you!

If you have ideas you would like to explore, would like to request support for your child, or just have a chat, you can contact me via School Stream or drop into school.

Please remember to fill out your child's consent form

If you have not already.

Thank you
