Welcome back, after what I hope was a relaxing break for all. I trust all have had a successful start to seeding. Fingers crossed we see some more rain soon. We have hit the ground running this term, with plenty scheduled for the term from the first week. We hope the students enjoy the learning experiences they will have this term.

Parent/Teacher Interviews

Thank you to those parents that we able to make a time to meet with teachers to check in. If you missed out on attending at the end of last term for any reason, please make contact with your child's teacher to negotiate a mutually suitable time to meet. Interviews are used to report student progress and we encourage you to touch base if you are able.

Badge Assembly

Our Term 2 Class Captains have been elected to represent their class. They will be presented with their badges this Friday at 1:30pm.

SAPSASA

Congratulations to Ella, Indy and Siobhan on their selection into the CEP Swimming Team. These students competed at the SAPSASA Swimming Carnival in Adelaide last Friday.

Trials for netball are this week at Lock. Best of luck to the students from LAS trailing.

Lunch Orders

Just a reminder the P&F have lunch orders this Friday. These are for those who ordered last week. Orders will be delivered to students at school.

Norwood Footy Clinic

Yesterday the Norwood Football Club ran a footy clinic for our students yesterday. We had two sessions, one for the younger students and one for the older students. The clinics were excellent and very engaging. The students enjoyed themselves and were fortunate to have the opportunity to see and touch the SANFL Premiership Cup!

Student Free Day

Next Monday, 15th May, staff will be engaging with the Brightpath team to further their knowledge of the Brightpath platform and the teaching of writing. This is our site improvement focus for 2023.

Governing Council

Our next meeting will be on Tuesday 16th May at 7pm.

School Photos

Please remember to send photo forms back to school, even if you aren't purchasing them. School photos will take place on Thursday 18th May. Please make sure student come in full school uniform.

Visiting Performing Artist

We welcome back Scott's BMX Trick Bike Show next Friday. This was an outstanding performance last time it visited and we look forward to seeing what tricks students learn from the performance.

PCW

We welcome Danielle Harris to our staff from the beginning of this term. Danielle has won the Pastoral Care Worker position. We are looking forward the extra support Danielle can offer to our staff, students and families.

Volunteers

This term we welcome our volunteers back on site. It has been great to have them continuing to commit to coming in to listen to reading. The benefits for our students is enormous. If you are considering joining our volunteer group, please contact the school. We would love to build our volunteer group further.

Have a great week,

Beth Sampson

SRC TRADING TABLE

Thank you to everyone who donated to our Trading Table on Thursday April 6th.

There was an amazing array of cakes and biscuits for people to buy.

Thank you to the community members who came and supported our Trading Table.

Congratulations to Kurt who won the jar of jellybeans.

Over \$350 was raised for Port Lincoln charities – wow!

Thanks again, keep your eye on the newsletter for our next events later in the term.

SRC OBSTACLE COURSE

The SRC members for Term 1 organised an Obstacle Course around the oval for students to have fun during their lunch break. Children had fun weaving, rolling, throwing, jumping and skipping their way around the oval.

Many thanks to the SRC Reps who planned, prepared and tidied up this great activity.

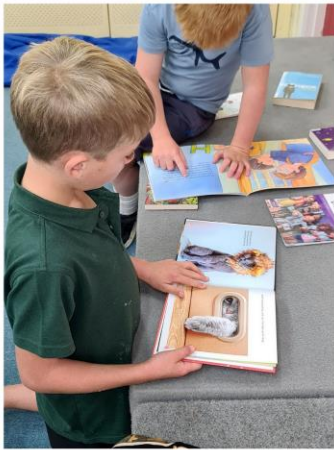

Thanks to Cameron, Anabell, Kurt, Jesse, Evie and Keaton.

AUTISM AWARENESS MONTH

April was Autism Awareness Month and in the last week of Term 1 a display was set up in the Triple Block for classes to attend and increase their awareness of Autism.

The time in the Triple Block was spent watching an informative video and participating in activities that stimulated the senses and increased knowledge about Autism and how it affects people.

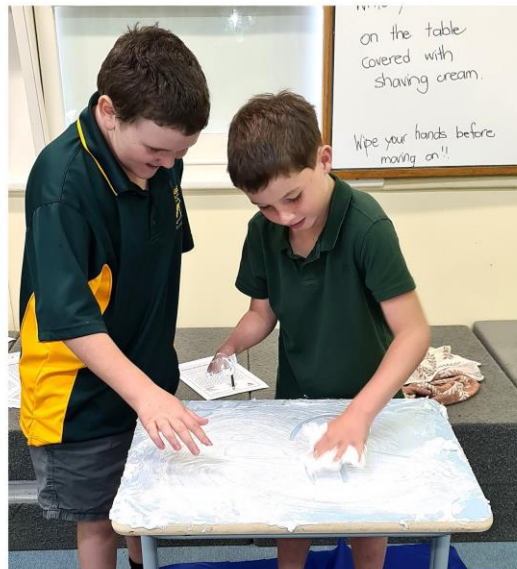

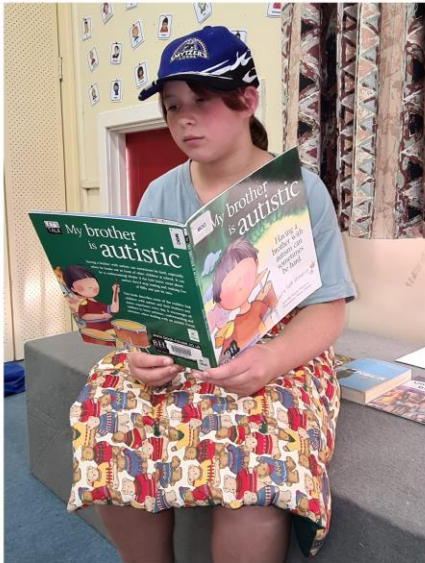

Did you know some famous people who have been diagnosed with Autism include Mozart, Albert Einstein, Greta Thunberg.

SCHOOL PHOTOS

School photo day has been booked for Thursday 18th May (Term 2, Week 3) and is fast approaching!

Order envelopes have been sent home with students, however, Advancedlife would prefer if orders were submitted and paid for via the secure online advanceorder web portal.

This portal is specifically set up for the school using the unique 9-digit online ordering code (please follow the "how to order" step by step guide attached to the newsletter). Please note: this code can also be found on your order envelopes, and on the advanceaccess dashboard.

PARENTS WHO PLACE THEIR ORDER ONLINE DO NOT NEED TO RETURN THE ORDER ENVELOPE.

Only families who still wish to pay with cash will need to return the order envelope on the day. Family photo envelopes will be available for collection at the front office.

school photographs are coming up soon

Please note: Traditional or Composite group and the presentation format are chosen by your school. Sibling photos, if available, can also be ordered online and must be ordered prior to your photo day. A late fee will apply for photos purchased after ordering has closed.

how to order

order online

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

STEP 1

Go to www.advancedlife.com.au on your computer, phone or tablet.

STEP 2

Enter your school code:
LG6 3N6 PYT
in the 'order and download' box. This will take you to your school's secure online ordering site.

STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available.

Go to www.advancedlife.com.au on your computer, phone or tablet.

cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be enclosed in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

Please note: You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer accept cheques. There is a separate envelope for sibling photo orders, should your school choose to offer sibling photos.

School photographs will be returned to your school 4-6 weeks after the day of photography

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.

Microchipping

District Council of Elliston is committed to returning lost animals to their owners. Microchipping is the most effective form of permanent identification for your dog or cat. Collars can come off or be removed, tags can fade or become outdated. Inserting a microchip means your pet can be easily identified by a Council Officer, animal shelter or veterinarian, regardless of the situation. Once identified, you can be contacted immediately and informed of the location of your pet. In South Australia it is compulsory for ALL dogs (including working dogs) and cats to be microchipped. ALL dogs AND cats in the District Council of Elliston must be registered in Dogs and Cats Online with the microchipping details.

AUSTRALIA'S BIGGEST MORNING TEA

The Lock Op Shop tea/coffee money for all of May will be going towards the Australia's Biggest Morning Tea fundraiser.

People are welcome to make a donation also if they wish.
