TERM 2 WEEK 10

5th July
2023

DIARY DATES

7/7/23

End of Term 2

2.15pm dismissal

24/7/23

Term 3 starts

26/7/23

SAPSASA Boys
Cricket Trials in
Kimba

We have hit the mid-point of the year and hasn't the first half flown! It's hard to believe we are moving into the downhill run of 2023. Next term we will start with a new teacher, Mrs Heysen will be the R/1 teacher for the remainder of the year. She will be visiting this week to work with staff and meet the students. We are looking forward to the high level of expertise she brings with her.

Children's University

Several students have already completed tasks this year, working towards their 30 hours. Don't forget to send passports into school regularly to get activities signed off and stamped. The CU portal is up and running this year with many activities available for students to complete. Log in details are in the front cover of your child's passport.

Breakfast Program

Our Breakfast Program is still looking for volunteers to come and lend a hand on Tuesday and/or Thursday mornings for around half an hour. Volunteer checks must be completed to participate, this is quite easy but does require a small amount of time. We are more than happy to step you through the process. Please catch up with Danielle if you're interested in lending a hand on one or both mornings.

Volunteering

It's great to have this group of support growing weekly. Not only are the students benefitting academically from the extra support, but they thoroughly enjoy having volunteers in their classrooms. Don't forget to reach out if you're keen to come in and lend a hand in any class and in any capacity.

Camp Fundraiser

Our camp fundraising tea at training night was a huge success. I'd like to extend an enormous thank you to all that donated roasts or vegetables for this major fundraiser, including the wider community members! Your generosity is greatly appreciated. We raised over \$1200. This money will help reduce the cost of camps for families this year.

SAPSASA

Congratulations to Indy on her representation in the CEP team at the SAPSASA Netball Carnival in Adelaide last week. It sounds like you had a great time.

Movie Day

Well done to Ms Johansen and the Year 2/3/4 class on a successful camp fundraiser last week. The class provided recess and lunch options to students, along with encouraging students to dress up as their favourite movie character for the day. There were some great costumes on display, our students love a good dress up day!

Hambidge Excursion

I was lucky enough to attend the Year 6/7/8 excursion to the Hambidge Wilderness Protection Area last week. We were fortunate to have good weather as we trekked through the scrub exploring through the lenses of artists and scientists. We even managed to learn a life lesson in leaving 'breadcrumbs' to get back to a starting place, essential through some of the thicker scrub on the sandy hills. Well done to Mr Smith on organising a great field exercise to extend the learning into real life, local settings. It was a shame to have to leave and not explore further.

Early Dismissal

Don't forget we will finish one hour early this Friday, at 2:15pm to end the term. Buses will run one hour earlier for the PM run.

Have a well-deserved, safe break over the holidays. I look forward to seeing everyone again next term.

Beth Sampson

**MERIT CERTIFICATES**

Daniel Feltus – for never giving up and trying to continually build on his learning.

Jax Morton – for excelling in building his word knowledge through practice.

Rosie Bowey – for explaining her thoughts with clear examples.

Nathan Zacher – for an accurate write-up of a science experiment.

FOOTY TEAS THANK YOU

Many thanks to the families who generously donated to the school's fundraising 'Roast Night' at the football & Netball Club on the 21st June.

Thank you also to the many people who helped out on this very successful night.

Just over \$1200 was raised for school camps.

Thank You!

Year 2/3/4 Movie day was a great success!

The students set up the room to sell (math learning); cakes, decorated cookies (made by the student buying), popcorn and for lunch, sausages and bread. The 2/3/4 class watched the original Movie of Charlie and the Chocolate Factory in between being the shop keepers, selling most of their wares on the day. Next day they were able to demonstrate their learning by completing a review of the movie and began a plan of a narrative from pictures of the day. (English) So having fun was incorporated into their learning across several curriculum areas.

There were toffee apples, toffees and lolly bags (cooking / science learning), for sale that were delivered to their class at the end of the day to take home.

The winner of the guess the number jars were;

Madelyn Feltus for the junior jar.

Archer Cummins for senior jar.

We raised \$313 dollars to go towards our camp fundraising effort.

2023 SHOW POSTER COMPETITION

ALL RECEPTION TO YEAR 7 STUDENTS
