4/9/23

Student Free Day

12/9/23

Governing Council  
Meeting 7pm

19/9 – 15/9/23

Year 2/3/4 Camp

Learning continues at full swing around the classes, with excellent engagement by our students. It is great to see our students continually giving their best efforts at improving their skills and knowledge.

#### Site Improvement Work

During the Student Free Day on Monday, our staff participated in professional learning around goal setting and student conferencing to increase Learning Agency as part of our Brightpath work. It was great to have Glenda from Brightpath on site to provide the training. Staff also spent time assessing and moderating writing samples. Next steps will be to conduct writing conferences with students to develop personalised writing goals.

#### Children's University

Participants must keep working on completing hours if they wish to graduate this year. Please send passports to school to have hours signed off. The platform has a huge collection of activities for students to complete. Log in details are inside your child's passport.

Not many participating students have claimed their 10 hours for After School Sports (football, netball, etc.). Complete the reflection task on the Children's Uni portal and send passports in for stamping.

#### Science Week

This week we have been celebrating Science Week with classes engaging in a range of Science activities. This year's theme is *Innovation: Powering Future Industries*.

#### Sporting Schools

This term students will be participating in Lawn Bowls as part of our Sporting Schools program. Students will be using the Bowls Club to hone their skills. Thank you to the Bowls Club committee for allowing our students to access your facilities, it's a great opportunity for the students.

#### Book Week

Next week we will celebrate Book Week with many activities planned around the theme of Read, Grow, Inspire. Don't forget to dress up on Tuesday. Families are invited to attend our parade on Tuesday morning from 9:30am. We hope to see you.

#### Student Free Day

Our next SFD is scheduled for Week 7, Monday 4<sup>th</sup> September.

Have a great week.

**PCW**

On behalf of our school community we would like to thank all the families and our faith communities in Lock for donations to our Breakfast Club program.

We couldn't do it without you! Thank you 😊

If you would like to support us, please contact Danielle. PCW.

**SPORTING SCHOOLS GRANT**

For the next 4 weeks on a Thursday classes will be heading to the Lock Bowling Club to learn the skills needed to play Lawn bowls.

A grant from Sporting Schools has meant we could purchase a "Rookie Rollers" kit from Bowls Australia. This means children as young as Reception can hold the bowls successful and learn to roll them on the green.

If you have time come down and have a look.

Each session is 40 minutes.

10.00am – Year 5 & R/1

1.00pm – Secondary (lunch time – for interested students).

1.50pm – Year 2/3/4

Many thanks to the Lock Bowling Club for allowing us to use their magnificent facilities.

# R/1 CLASS

Welcome to Bumblebees class, our name for our R/1 class. We have started the term with getting to know each other, learning through play both in class and with the Little Bees (Kindy), and exploring different aspects of the school values of being a Caring and Responsible class member.

We will look at the values of Fairness and Respect in the coming weeks. Playing with the Little Bees (Kindy) students help us to practice our fun learning with our Head, Heart and Hands.

This term in Writing we will be looking at what makes a sentence and how to develop them into interesting stories.

Daily, we read books and our own stories, helping us to gain fluency and sounding out skills.

Our English unit – Goldilocks and the Three Bears, is a great way to look at how authors develop their characters and what these characters do. We have been practicing our handwriting each day to improve our letter formation, stay on the line and use finger spacing between words.

During Maths we continue to identify numbers to 100 and how to use part:part:whole strategies to explore addition to 20, with extension to 50. Measuring lengths and heights will be our focus in the coming weeks, along with exploring 2D shapes in our environment.

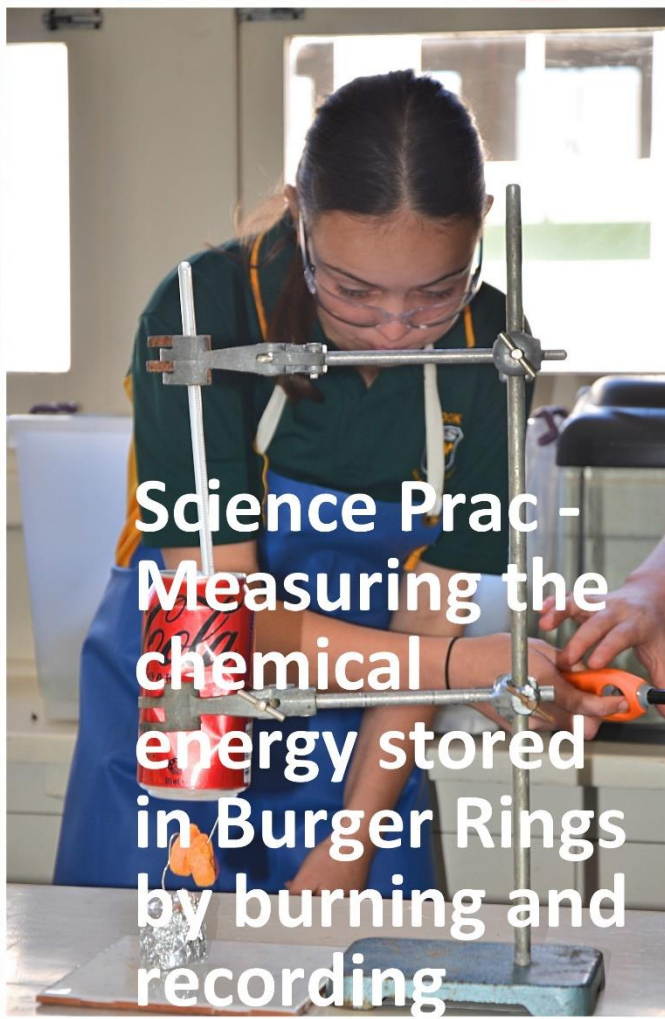

Our Science and HASS focus will be embedded in our Schools Plus Project. We have combined with Yr2/3/4 class to look at both local farming practices and to look at local conservation. We have started with combining into learning teams. We have prepared the school veggie garden to grow some healthy foods to share later in the year. Looking at edible plants, pulses and local plants will help us understand our local environment better.

A busy, fun term ahead of us,

IS YOUR DOG AND CAT  
**MICRO CHIPPED?**

Having your animal microchipped ensures your animal can be easily identified and returned to the rightful owner when lost, stolen or strayed.

**DC ELLISTON IS NOW OFFERING A MICROCHIP SERVICE**

**\$40 per dog or cat  
\$30 concession card holders**

**IT'S THE LAW!**

In South Australia it is compulsory for ALL dogs and cats to be microchipped. All dogs and cats in the District Council of Elliston must be registered in Dogs and Cats Online with the microchipping details.

Dogs and cats must be microchipped:  
Before it is sold; or;  
Before it reaches 12 weeks of age; or;  
Within 28 days of an owner taking possession; or;  
If a veterinarian has granted an extension of time, before the extension of time has expired.

**"Our pup wouldn't hurt a fly."**

Last year, over 500 South Australians were admitted to hospital for dog bites because even good dogs have bad days. With some helpful safety tips, many of those injuries could have been avoided. Together let's learn more about dog behaviour and bring this number down.

From dogs we don't know to the cuddliest family pet, any dog has the potential to bite for all sorts of reasons. So it's vital we know the situations when and why dogs bite and how we can interact with dogs safely.

**Safety tips:**

- ⚠ Always supervise children around dogs at home or in public.
- ⚠ Never enter a dog's territory, like their bed, yard or toy box.
- ⚠ Never startle a dog.
- ⚠ Never touch a dog while it's eating.
- ⚠ Never touch a dog's puppies without the owner's permission.
- ⚠ Never disturb a sleeping dog.
- ⚠ Never put your face near a dog's face.
- ⚠ Teach children to always ask the owner's permission before approaching a dog.
- ⚠ Dogs can bite when they're tired, frightened or annoyed.
- ⚠ When approaching a dog, slowly reach to touch its chest from the side. If it retreats, it's time to back off.
