Year 5 Camp

Today the Council had several of the trees across the front of the school removed. These trees have become quite dangerous with the regular loss of large branches, and two of them have housed bee hives that have been an issue for several years. Although it leaves the front area very bare, we look forward watching the new trees planted take shape over the coming years to take their place.

Site Improvement

Last Monday staff participated in further learning of High Impact Teaching Strategies and the DfE Curriculum Units. These Student Free Days offer invaluable learning for staff, increasing teacher knowledge and skills resulting in improved learning opportunities for students.

Pre-Service Teachers

We have been fortunate to have preservice teachers at school this term, with more scheduled to come next term. Emily Whittaker had a two week practicum block earlier in the term in the Year 2/3/4 class and will return for another three weeks with the class next term. We currently have Jordan Sladdin working with Bu Casey, Mr Smith and Mrs Sampson as she spends the last four weeks of this term with the Year 6/7/8 class. Jordan will also join the Year 5 class for their HPE lessons. Next term we will also welcome Amy Allen into the Year 5 class for a four week practicum block.

Practicums are a major learning opportunity for preservice teachers, forming part of their University courses. We enjoy the opportunity to host them and hope they enjoy their time at our school.

Parent Teacher Interviews

We will hold our Term 3 Parent/Teacher Interviews next week on Monday 18th and Tuesday 19th September. We are trialling an online booking form this year. Please scan the QR code to access the School Interview booking form, or alternatively visit the website below to book your preferred times.

We hope this method allows all parents an opportunity to book times of your choosing with forms not lost during the school-home-school transition.

<https://www.schoolinterviews.com.au> then enter the code **m7tav**

Please note Ms Heysen will be away during Interviews and will make contact with the R/1 families early next term to book a time to meet.

Bookings will close off at midnight the night before interviews are scheduled. Teachers will hold their interviews in their main classroom as follows:

- Mrs Whittle – Kindy
- Ms Johansen – 2/3/4 Classroom
- Mrs Adams – Year 5 Classroom
- Mr Smith – Year 6/7/8 Classroom
- Bu Casey – Room 17
- Mrs Sampson – Home Ec Room
- Mrs Zacher – IT Room

Children's University

Please remember the cut off for graduation this year is **27th October**. Please support your child to navigate the online portal to complete activities and hours. Please send passports to school so I can sign off activities once they are completed.

SAPSASA Selection

Congratulations to Indy on her selection to represent the North West Girls Cricket team. Indy will head to Adelaide to compete at the SAPSASA Carnival in November. Good luck Indy.

Assembly

Congratulations to the Year 2/3/4 class for hosting our assembly last week. It is great to see a continual increase of parents attending assemblies. It offers a great opportunity for the students to showcase their learning to parents, but also offers an authentic audience for students to develop their public speaking skills.

2/3/4 Camp

Our Year 2/3/4 class are off to camp tomorrow. We hope they have a great time as they head to Port Lincoln overnight where they will participate in a range of educational experiences outside the classroom.

Have a great week.

Beth Sampson

ROYAL LIFE SAVING SWIM TEACHER COURSE

There is a shortage of Swimming Instructors so if you are interested in becoming an Instructor then this is for you!

Royal Life are offering a Swim Teacher Course at Wudinna on Monday October 9th - 9:00 am to 5:00 pm.

The Royal Life Saving Swim Teacher Course provides the minimum requirements for those persons wishing to become a Swim Instructor (for ages 4 and above).

Open to anyone 16 years and over. There are no pre-requisites for this course.

It is assumed that participants are sufficiently physically fit and healthy to undertake this course. The following physical activities will occur during the course unless you advise of any physical difficulties or limitations: kneeling, bending over, crouching, standing, leaning, sitting, pushing, lifting weights, swimming 100m and tread water for 1min, towing, and diving, carrying and other physical activity.

An optional CPR qualification to all Swim Teacher candidates is offered, which is conducted within the course (HLTAID009 Provide cardiopulmonary resuscitation). This is a requirement to obtain your RLSSA Swim Teacher License, and must be renewed every 12 months to keep your license current. Please contact us if you already have a current CPR qualification and don't wish to complete this component.

A valid Working with Children Check (WWCC) is required to undertake your practical training hours at an aquatic facility, as well as for your Swim Teacher License application.
