What a great day we had for Sports Day this year! The weather was perfect for our athletes and spectators!

### NAPLAN

We have completed all tests for the 2024 school year. Congratulations to all our Year 3/5/7/9 students in their efforts to complete tests successfully. It was amazing having all students here every day to complete their tests, with no catch-ups required. Once we receive results, they will be sent home to families.

### Site Visitors

We have been fortunate to host training days for teachers in the past few weeks, with teachers from across our Partnership coming to Lock to engage in some great Professional Development. A huge thank you to the Parents & Friends for catering the days for us. We hope to see more of these days held in Lock in the future.

### Sports Day

Congratulations to Terre on their great win at Sports Day this year. All students participated with great sportsmanship throughout the day, and seemed to have a great day out! I'm confident there would have been some very puffed children Friday night!

A huge thank you to all families for their support by attending, providing food and their time to work on the Parents & Friends stall, preparing, cooking and selling lunch, and most importantly helping to officiate all events. The support this year was outstanding. We certainly could not run our Sports Day without your support.

### Interschool Athletics Carnival

Information went home this week with students selected to be part of the Lock Area School Interschool team. Students will need to find their own travel to Cleve next Wednesday. Best of luck to our competitors.

### SRC Lunches

This week SRC will be selling toasted sandwiches on Thursday.

### SAPSASA Softball

This week Siobhan, Ella, Rosie, Evie and Jesse are all in Adelaide competing in the SAPSASA Softball competition. From all reports, they are thoroughly enjoying themselves.

### SANFL & AFL Cup Visits

What an exciting day it was to see all four SANFL and AFL cups together at our school. Thank you to Andrew Taheny for organising the visit to our school and allow our students to see the AFL, AFLW, SANFL and SANFLW cup all together. This was part of the Gather Round roadshow and toured around the state.

### Governing Council Vacancy

Please be reminded we have still have a vacancy on the Governing Council for a parent member. If you're interested, please contact the school for a nomination form. Our next Governing Council meeting will be on Tuesday 9<sup>th</sup> April at 7pm.

### Parent/Teacher Interviews

Interviews will take place in Week 11 on Tuesday 9<sup>th</sup> and Wednesday 10<sup>th</sup> April. We will use a digital booking system again this year, with information sent to all families via email in the coming days. Please make sure to book a time to speak with teachers about your child/ren's progress.

### Early Dismissal

Please be reminded that we will finish the school day one hour early this Thursday for Easter and one hour early at the end of term. Buses will also run one hour early on those days.

Wishing everyone a relaxing Easter weekend.

Have a great week,

*Beth Sampson*

# R/1 lessons with Bu Casey

**Indonesian:** We have been learning and revising words for colours, numbers, jungle animals and food through lots of songs and activities... and linking with our Art lessons.

**The Arts:** We have been trying out different mediums such as crayon, paint, ink (calligraphy) and clay, testing out different ways that they can be used to create artworks.

**Technologies:** We have been learning about past and present technology, including drawing using old style ink pens. We tested out bubble blowers and designed our own on Maker's Empire for 3D printing.

# The Year 2/3/4 class made **Salad Buah**

## AUTISM AWARENESS DAY

On Thursday 4<sup>th</sup> April the school will be celebrating Autism Awareness Day

The theme for the day is Colours. We are asking all students to wear a colourful top for the day and participate in activities organised by the Year 5/6 class.

There is a lot to become aware of. For example, it is estimated that 1 in 100 Australians have autism and more than 3/4 of these Australians are young (between the ages of 5 – 24).

Wear your colours on Thursday the 4<sup>th</sup> and become aware!

### LOCK NETBALL CLUB

We are excited to have the opportunity to combine with Ports Netball Club to host Jackie. This will be a weekend of junior, senior and coaches development sessions that will focus on skills and play. Jackie has previously worked with Netball Australia and is currently coaching and mentoring the South Adelaide Premier League team.

All junior and senior players are encouraged to attend development sessions.

SATURDAY, April 6<sup>th</sup> – Arno Bay

SUNDAY, April 7<sup>th</sup> – Lock

\$10 for non club member of Ports or Lock.

REGISTRATION: Contact Milly Morton or Tanya Habner to register your interest in what session you will be attending.

#### Coaching Philosophy

I believe and work towards the 'Kaizen' philosophy - "do it better, make it better, and improve it, even if it isn't broken, because if we don't, we can't compete with those who do."

Kaizen involves setting standards and then continually improving those standards.
