School Concert

Thursday 4th July, 2024

I hope everyone had an enjoyable and relaxing long weekend. The students have come back with renewed energy, which is great!

Explore

Last Wednesday our Year 9/10 students went to Port Lincoln to participate in the Explore Event. This event offered a chance for students to investigate possible career pathways through taster sessions provided by ATOs, TAFE, UniSA and businesses. Students were able to have a small insight to careers and hear about the pathways they can take to enter different industries.

Olympian Visit

Last week we were fortunate to welcome Nick Timmings, an Olympian from the 2022 Beijing Olympics. Nick competes in Skeleton, the very dangerous sport of racing down a track on a small sled head first! Nick's visit was a great opportunity for our students to meet an Olympian and hear about his journey to make the team.

Thank a First Responder Day

Yesterday we celebrated 'Thank a First Responder Day' by inviting the Ambulance team of Lock into the school. The K/R/1s had a good look through the ambulance and chatted to the officers. They then moved to the Triple Block for a hot drink and scones as a thank you for all they do for our community. Our whole school then participated in a small activity with their buddies. A huge thank you to our Ambulance Officers for finding the time to come into our school and share their role with our students.

Author Visit

This Friday our Year 5-10s will head off to Cleve to attend sessions with a visiting artist. Thank you to Kristin for organising this event.

Have a great week,
Beth Sampson

WHEEL TIME

Last week the ‘Wheel Time’ session involved 16 students riding skateboards or scooters in the school yard. The session was enjoyed by all and another session will be organised soon.

Thank you to everyone who brought along their gear to participate in this activity.
