Hasn't the rain been great! It has been lovely to see students coming to school happy and carefree in the last couple weeks, knowing it has rained and stresses have eased for families. They certainly mirror the tension at home when they're at school.

School Concert

Our Concert practice is full steam ahead, with daily trips to the hall to set up and practice on the big stage. The items classes have prepared for the concert are looking great! I can't wait to see them in all their glory on Concert night with a packed hall!

Can all students arrive no later than 6:15pm at the hall on concert night so teachers can get them seated and prepared for a 6:30pm sharp start? Doors will be open from 6:00pm.

We would appreciate it if families could bring along a plate of food to share for supper at the conclusion of the concert (no heating facilities available).

Please make sure to extend an invitation to your wider family and friends to come along for a great night out!

SAPSASA Netball

Kaiden, Braxton and Mitchell are currently in Adelaide competing in the first Boys SAPSASA Netball Carnival. Their teams are representing all zones on Eyre Peninsula. It has been a wet, cold experience for them, but they're having a great time with a few wins on the board!

SAPSASA Basketball

Next week our Year 5/6 students will be headed to Wudinna for the annual SAPSASA Basketball tournament. Our school teams will play against teams from Wudinna, Cowell, Cleve, Karcultby and Miltaburra.

Get Up and Goers

Thank you to the Get Up and Goers that came into school last week to work with the Year 2/3/4 Class. They really appreciated the effort you made to come in and work with them. They enjoyed the company and help that was offered by our visitors. We look forward to their next visit.

Author Visit

Our Year 5-10s visited the Cleve Library last week to attend sessions with visiting author, Joel McKerrow. From reports, students really enjoyed the opportunity and engaged extremely well in their sessions. They have begun using what they learned in their own writing back at school. Thank you to Kristin for organising this event.

Governing Council Meeting

Our next meeting will be on Tuesday, 2nd July at 7pm (next week).

Early Dismissal

Please be reminded that we will finish the school day one hour early next Friday for the end of term. Buses will also run one hour early.

Have a great week,

Beth Sampson

WHEEL TIME

Tuesday 2nd July

After the success of the last wheels session, we are offering another lunch time of fun.

Children can bring their skateboards or scooters to school for lunch time play.

All students must wear a helmet.

No riding in the school yard unless at the course.

Learning about place

K/R/1

I explore and understand my place and space in the world.

WALK ABOUT

Children are connected with and contribute to their world.

Learning about shapes
