Community Library
Board Games 2pm

7-12-23
PLHS Pantomime

13-12-23
Presentation
Morning

It is unbelievable that we're half way through Term 4 already. We still have plenty of learning to jam into the final weeks, along with a range of planned activities. Harvest is well underway, with not much left for the majority. It'll be unusual to see harvest wrapping up before school this year.

Our condolences go out to the Bowey family, and extended Longmire family, on the recent passing of your Grandma. Shirley worked at Lock Area School for almost 30 years during the 70s, 80s and 90s, leaving an impact on many past students during her time.

New Students

This week we welcomed Casey, Aden and Aaron to Lock Area School. They have settled in quickly in the Middle School class. We hope they, and their family, enjoy becoming part of the Lock Area School community.

Kindy Transition

Our 2024 kindy children began transition visits this week, familiarising themselves with the K/R/1 class routines and spaces around the school. Sadie and Annabella were very excited on their first day and settled in well. I'm sure next year won't come quickly enough for them. They will continue to visit for the next 3 weeks.

Pre-Service Teacher

This week is Emily's final week in the Year 2/3/4. We hope she has enjoyed her time here and has engaged in some valuable learning throughout her placement. We wish her all the best for the rest of her studies.

SAPSASA

Congratulations to Indy who was in Adelaide last week competing in the SAPSASA Girls Cricket Carnival, representing Lock Area School in the Lower Eyre team. It's fantastic to hear she had a great time and met some new friends.

Visiting Artists

Today we had a visiting artist come and present to our students. It was a fantastic performance, engaging students throughout the session. These opportunities are a great for our students and are always well received.

Book Week

This week is Book Week in the Library. Come in and browse the great collection of books for sale.

End of Year Presentation Morning

Our annual presentations will be on the morning of Tuesday 12th December. Our Presentation morning allow us to recognise the academic and extra curricula success achieved by students throughout the year, and where we graduate our Preschool children who will start school in 2024. More information will come closer to the date.

Rowan Ramsey Award Nominations

Please make sure to get your nominations into the school by the end of the week, before the panel meet to deliberate the nominations and decide a final winner of the award. This award will be presented at the Presentation Morning at the end of term.

Have a great week.

Beth Sampson

SASTA OLIPHANT SCIENCE AWARDS

This week, we celebrated the 11 students who participated in the SASTA Oliphant Science awards this year. These students all gave up their own time, working on their projects during lunchtimes and/or at home, and it's truly commendable.

These budding scientists have gone above and beyond, investing their free time to explore various scientific topics, from space to volcanoes. There were models, photography, posters and even a game. Their creativity and enthusiasm shine through, and they should be incredibly proud of their efforts. Acknowledgement must also go to those parents who supported children who chose to work on their entries at home.

Special mention to Reuben, who managed to be the recipient of a sponsor prize, the ROWE Scientific Emerging Talent award. He attended the award ceremony this term in Adelaide to celebrate the work he did in developing his rubber band plane model.

Their efforts have been and will continue to be on display in the Library until this Friday.

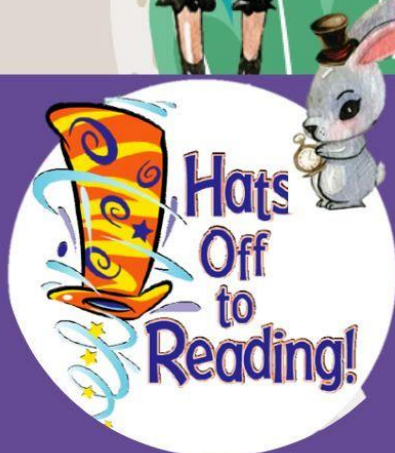

Lock School Community Library

Use the Libraries SA app to see what your child has borrowed and when it is due back.

Come to our BOOK FAIR

 SCHOLASTIC

Thursday 16th November
3:15pm - 5pm
Lots of fun & games
